

Please use this as a guideline to what we need to design your loved one's headstone. This can be copied & pasted into your e-mail to us or printed.

Full name as you would like it to appear, including a nickname if you'd like.

Dates of birth and passing.

Which design (**on non-photo headstone**) _____

Endearment (writing at the top)

Epitaph (writing at the bottom) If there is room available

A small motif can be included, usually between the dates, if you'd like; traditional things like crosses, roses, praying hands, hearts, butterfly, etc. are common **with photo stones only**.
